Dear Mr. Lawson:

I want to take this opportunity to thank you for the thorough and comprehensive services that your agency performed at our May 12<sup>th</sup> Spring Educational Conference and Luncheon that was held at the New York Hilton Hotel and Towers.

A major concern of ours at this event was the smooth and efficient movement of the 3,200 participants in such a confined space. However the presence of your staff was an essential ingredient for the orderly transition from location to location. With the four Mayoral candidates attending our morning session and former President Clinton attending our Luncheon, it was essential that we had a secure and orderly setting. The Armed Executive Protection Services that your staff performed was an integral part of the success of this function.

Again, thanks for your advice and assistance.

Sincerely

Jerry Goldman Assistant  
to the President
