Dear Ron:

I would like to take this opportunity to thank the Gold Shield Group for the many years of support to XEROX CORPORATION. The services Gold Shield Group provided to us from executive protection, event support, electronic sweeps, investigations have been unparalleled hence our continued business relationship. Your team has always stepped up to the plate and carried out the specified mission with extreme professionalism and demeanor. Knowing that your team consists of either active or retired law enforcement brings a certain comfort level that the job at hand will meet Xerox Corporate Security standards. Xerox looks forward to our ongoing relationship with you, Mark and the rest of your team. Once again thanks for all the excellent support.
