Dear Mark & Ron,

A worldwide corporation such as Yum! Brands, Inc holds the bar very high with regard to the standards we insist upon. Only the highest level of service with regard to a security/protection firm is acceptable to our company. The Gold Shield Group over the past years has proven to bring the professionalism that we required in a high level security firm. The fact that you have provided the needed resources at short notice has always been critical in an environment where long term planning is not always a luxury that is afforded. "We look forward to a long continued relationship".

Sincerely,

**Mike Webb
